

DISCSTAR

Air Disc Brake Calipers & Chambers

Marathon Brake Systems, a heavy duty friction leader for more than 30 years, introduces **DISCSTAR New Air Disc Brake Calipers and Chambers**. These two new product lines complement Marathon's air disc pads and rotors to comprise a complete family of air disc brake replacement parts. DISCSTAR calipers and chambers will provide consistent quality and performance, in keeping with proven DISCSTAR pads and rotors.

Marathon calipers and chambers are designed to address a wide range of aftermarket air disc brake applications, including on-highway trucks and trailers, motor coaches, transit buses, school buses, fire trucks, and waste haulers. Fleets that use DiscStar pads, rotors, calipers and chambers together will have confidence in their stopping power while maximizing product life, reducing noise and lowering maintenance costs.
