Transit Premium Air Disc Pads

A high performance brake pad designed for air disc brakes, with exceptional wear and low noise characteristics.
Transit Premium Air Disc Pads

As the use of disc brakes continues to grow in the heavy-duty industry, Marathon now offers a high performance commercial vehicle disc pad, DiscStar Transit Premium (DSTP). Designed specifically for air disc brakes, Marathon's DiscStar Transit Premium pads were created to handle the extreme conditions of transit and coach, as well as severe service applications like fire trucks, refuse and more. Formulated using Marathon's severe service ceramic expertise, DiscStar disc pads exhibit less wear, more effective stopping power and high shear resistance.

In addition, DiscStar features exceptional rotor compatibility and low rotor wear, showing up to 33% less brake rotor wear than the leading OEM linings. By using a proven, reliable attachment method, DiscStar disc pads ensure a high mechanical bond between the friction material and the steel backing plate. As a result, you can rely on DiscStar to provide dependable stopping power, a long pad and rotor life, and significant noise reduction.

**FMVSS 121 Test Results**

**Transit Premium Delivers**

- Ideal for heavy-duty commercial applications, including transit and motor coach
- Dependable stopping power
- Longer pad and rotor life
- Significant noise reduction
- High shear resistance
- Rapid heat dissipation

**Transit Premium VS OEM Pads**

- Torque: Torque output is equal to the OEM material.
- Pad Wear: Marathon DiscStar disc pad inner pad wear after over 3000 stops, 40% less inner pad wear than the leading OEM.
- Rotor Wear: Disc brake rotor wear after 3000 stops. Our DiscStar disc pad exhibits up to 33% less brake rotor wear.
Transit Premium Pad ID/Part Numbers

**MBS # DSTP1407**
- FMSI # 8515 D1407
- Lucas Girling – Meritor D-Elsa

*Application: Van Hool, Nova, Orion VI, ELSA 1. MAN #68325011*

**MBS # DSTP1312**
- FMSI # 8427 D1312
- Lucas Girling - Meritor D-LISA

*Application: MCI – Renaissance, Meritor # 68932068NZP*

**MBS # DSTP1203**
- FMSI # 8323 D1203
- Knorr Bremse Model SB-7, SN-7

*Application: Nova Bus, Prevost, Bendix # 5013257, Knorr # OR760*

**MBS # DSTP1369**
- FMSI # 8479 D1369
- Knorr Bremse Model SK-7, (ADB22X)

*Application: Bendix # 802078 Hendrickson Trailer Axle*
Transit Premium Pad ID/Part Numbers (continued)

**MBS # DSTP1311**
FMSI # 8426 D1311
Meritor EX225 H-2

*Application:* Orion, NABI, ELSA H-2, Meritor #s 2252H2CD, MA761GG
11.250” (285mm) wheel

**MBS # DSTP1323**
FMSI # 8435 D1323
Meritor EX225 H-3

*Application:* XX, ELSA H-3 Transit, Meritor #2252H3CE, MA721, 3222G2477
13.250” (335mm) wheel

Note: Similar to MTR225 but inside radius is smaller

**MBS # DSTP1310**
FMSI # 8425 D1310
Lucas-Meritor ELSA 2

*Application:* VOLVO, Van Hool, OE# N508206051, Meritor MDP-5060
